Manufacturing and Sales we produce very high quality hardwood furniture made right here in North America.

Paragon has been in business for over 20 years and is proud to be the leader in Manufacturing Futons, Bunk Beds, Chairs, Tables, Beds, Dressers, Custom Furniture and much, much more. Paragon makes custom made furniture to accommodate your needs. Our products are made from solid hardwood such as Oak, Ash, and Maple. All our products come with 10 Year Warranty guaranteed. We have multiple style options to choose from with the choice of 20 different stain colors that can be applied to any of our products.

Paragon is located in Canada in Toronto, Ontario and we ship to both Canada and the United States.
